rediscover your home

transform your room with light and reflections

**our collections include/
classic/art decor/antique/
baroque/novelty/classic
traditional/decorative/
contemporary/oversize/
or made to measure/**

Make the most of your space and add light, balance, character and style to your room.

No need to redecorate! A well-placed, well-chosen mirror can bring light to a dim corner or increase the sense of space in a narrow hallway. You will be amazed at how your room takes on a different feel with new light and reflection, and at mirror-world the choices are endless.

For those finishing touches, we have a stunning collection of object d'art which will finish any room off beautifully. All of our styles are unique so if you see something you fall in love with snap it up – because once its gone, its gone!

We also promise a 100% price match on all of our products, so if you find it cheaper elsewhere let us know and we'll match the difference.

**create the wow
factor in your
bedroom/
bathroom/living
room/hall/office/

room/gym/or
garden wall.**

...dreamy

mirrorworld/ your local specialist mirror and frame supplier

We make the frames you dream of, the frames you need. As one of the UK's leading mirror and picture frame manufacturers and, with more than 20 years experience, what we don't know about mirrors isn't worth knowing. Feel free to ask us anything, we really are friendly folk! Our mirrors, our frames and framing expertise is sought out by everyone from interior designers to architects. So trust us we can advise on the best choice for you or how to hang your mirror.

express yourself

Want a mirror but can never find the right one — the right size for that awkward corner of the bathroom or under the stairs?

Then use our bespoke design service and discover the interior designer in you. Use your imagination and create your own design of mirror and let our made to measure service take over. You measure, we make... simple as. (We can even help you with the measuring bit if you need advice.
